This virtual, interactive webinar is designed to help busy public agency leaders delegate effectively. Through instruction, activities, and dialogue between our experienced trainer and attendees, participants will explore:

- **What Delegation Is/Isn't**
- **Evaluating Your Own Delegation Skills**
- **Benefits of Delegation**
- **Getting Past Barriers to Delegation**
- **Successful Delegation Practices**
- **Planning Your Next Delegation**

RGS is happy to provide a private Delegation Webinar specifically for your Agency staff (minimum 10 employees). We can also provide this training onsite in a longer format to allow for more interaction and problem-solving. As with all of our training products, we can customize a unique training session on Delegation, or incorporate additional training topics into the session, based on your agency's needs. Additional costs per attendee will apply for in-person or customized training sessions. Contact us for more information.
