Academy Requirement:

These Academy sessions are highly interactive virtual classrooms. They require attendee participation and attention. Attendees will participate in small group breakout room discussions and will be asked to share audio and video at times during the course. Please treat employees attending as if they are away at training and allow them time to focus and participate without job demands or multi-tasking.

The Academy is conducted using Zoom. RGS recommends you download the Zoom application for best results.

Additional requirements include a strong internet connection (LAN cable preferred) and a computer/laptop or tablet. A headset is required if your device does not have a built-in microphone. We also require that you connect from an environment that allow you to speak out loud, listen without distraction, and share your webcam occasionally.
